I would like to take this opportunity to thank all the members of our community who have made purchases at Good Guys in Cranbourne over the past 12 months.

As a result of this loyalty, Good Guys have donated $4624 to our school for purchases that contribute to the well being of our community.

Whist some of the purchases will go towards upgrades of white goods in the staff room, the breakfast club will get a fridge and freezer upgrade and the canteen will get a freezer upgrade.

These are costs that would have ordinarily been taken from our regular operational budget so we would like to say a huge thank you to Cranbourne Good Guys for their generosity and support of our school.

**Assessment & Reporting**

Assessment of our students is an ongoing process. As educators we are continuously assessing student achievements and setting future learning goals for students to work towards. This information is presented to parents in a formal written report. Parents receive two such reports each year.

Teachers have been very busy over the last few weeks finalising written reports for each student. As our teachers work closely within the learning communities, the written reports are a joint effort, with comments and assessments from all teachers that teach your child.

With the transition from VELS to AusVELS, you may notice a few slight changes. Each student will have a ‘graph’ that shows the level that they are currently working at, for each area of curriculum. The report also includes detailed comments related to what the child has achieved, future learning goals, and what the school and home can do to help the child achieve these goals. Specialist teachers also complete a comment on each child’s performance in their specific specialist area. The format of the report has remained the same; however some of the subject areas have changed slightly.

Please make sure you have read your child’s report before attending your Student Progress Discussion next week. These discussions are an opportunity for you to discuss your child’s achievements so far and the future learning goals for them. If you have any questions regarding the report, you can ask your child’s Home Group teacher at the discussion! If you are unable to attend your allotted discussion time, please notify the school as soon as possible, so we can let teachers know.

We look forward to seeing you next week.

**WEB SITE**

We are currently upgrading and adding information onto our web site. We have included some awesome new photos and one learning community has included a fun page showing what they have been up to. So if you would like to have a look and see if your photo is featured go to [www.cranbourne-ps.vic.edu.au](http://www.cranbourne-ps.vic.edu.au)

**Medication:**

If your child needs to take medication at school. We are only able to administer medication if we have a signed form and the medication is in the original packaging. Prescription medication must have the chemist label and your child’s name. Please see the office for a form.

Physical Education at Cranbourne Primary School

Physical Education lessons focus on developing students’ fitness, games and social skills. P.E. also includes interschool sport for students in Grades 3-6. They have the opportunity to participate in District events including Athletics, Cross Country and Lightning Premiership.
**Schoolkids Bonus**

If school expenses are weighing you down, the Schoolkids Bonus can help lighten the load. It replaces the old Education Tax Refund and it is simple: there’s no need to collect receipts and you don’t claim it through your tax. If you’re eligible it will be paid straight into your bank account twice each year so you have the money when you need it most. Each year you will receive up to:

- **$410 a year for each primary student** ($205 paid in January and $205 paid in July)
- **$820 a year for each secondary student** ($410 paid in January and $410 paid in July).

You could receive the Schoolkids Bonus if you have a child in primary or secondary school and receive Family Tax Benefit Part A or you are a primary or secondary student receiving an income support payment.

If you think you are eligible and you haven’t already updated your child’s education details with Centrelink, then visit Online Services by 29 June 2013 to ensure you receive the correct amount and are paid on time.

If you’re eligible, the Schoolkids Bonus will be paid automatically into your bank account. You don’t claim it through your tax. See if you’re eligible at [www.australia.gov.au/schoolkidsbonus](http://www.australia.gov.au/schoolkidsbonus)

**Multicultural Day is on this Friday**

Dress up to represent a culture from around the world.

**Some ideas include**

- Indonesia (floral designs or a Sarong)
- Japan (Kimono)
- India (Sari)
- Mexico (Poncho or Sombrero)
- Scotland (Kilt)

WE will be participating in rotational activities.

(Dress up does not include footy clothes or free dress. Clothing must be sun smart and includes closed in shoes.)

**School Uniform**
