Introduction

- Did you know that? **Thailand** is the only Southeast Asian country that was never colonized by an European country. In fact, in the **Thai** language, the name of the country is Prathet **Thai** which means "land of the free." Its population is just over 70 Million people!! in Thailand. There language is Thai.

Trade

- Thailand trades many products from there country to other country, like china and saudi. Thailand trades rice to many country they make billions from just selling rice they also trade Footwear, Fishery, Electrictronic products, rubber, jewellery and cars.
- Thailand makes heaps of money by trading with other countrys. There trade program is is working out great.

Migration

- People migrate from Thailand because of food, money, work and Natural disasters.
- Every ten years at least 60, 000! people from Thailand migrate, 30 000 male, 30 000 female for many reasons. Their houses get destroyed and they don't have enough money to rebuild it.

Tourism

- Most people like travel to Thailand because of these beautiful places, Bangkok – Chaing mia , Phi islands, also – Phuket city these are really beautify places they get over 10, 000 to come every year.
- It's known for tropical beaches, opulent royal palaces, ancient ruins and ornate temples displaying figures of Buddha. In Bangkok, the capital, an ultramodern cityscape rises next to quiet canalside communities and the iconic temples of Wat Arun, Wat Pho and the Emerald Buddha Temple (Wat Phra Kaew). Nearby beach resorts include bustling Pattaya and fashionable Hua Hin.

Aid

- Thailand aid country that need help they provide food water to other country that need help they offer them help.
- They help at lot of country's and mostly respond first .

Defence

- The Ministry of Defence, is a cabinet-level government department of the Kingdom of Thailand. The ministry controls and manages the Royal Thai Armed Forces to maintain national security, territorial integrity, and national defence.
