PRINCIPAL'S NEWS

This Friday, February 8th will be a very special assembly. I am very pleased to announce that the City of Casey mayor, Ms Amanda Stapledon will be presenting our student leaders with their badges. Assembly will be in the gymnasium and will commence at 2.30 pm.

Our weekly assemblies will then continue to be held on Friday afternoons, commencing at 2.45pm.

Students have been selected to fulfil a variety of roles throughout the year, including school captains, house captains, environmental leaders, recycling leaders, Junior school council, I see I care ambassadors, bike and bin monitors. Students have been both elected by their peers and/or nominated by staff into these roles.

Welcome to our new Foundation students who have had a wonderful start to their school life. Their first day was spent becoming familiar with the environment—for many it was their first school experience. The girls made a surprise visit to my office looking for a green sheep!!

FROM THE OFFICE

For the safety of our students we ask

ALL PARENTS

*to use the Russell
Street drop-off zone.*

The gate is unlocked at 8:30 am and if it hasn't been unlocked when you drop your children off, they can safely walk around the corner to the front gate.

We have noticed parents pulling into parking spaces in front of the office building- sometimes taking up more than one parking spot- and this is causing traffic chaos and making it very

unsafe for our school community.

**PLEASE USE THE
CORRECT
DROP-OFF ZONE!**

WELLBEING NEWS

INTRODUCTION

My name is Lachlan Clydesdale and I am the Student Wellbeing Coordinator at Cranbourne Primary School. Prior to arriving at Cranbourne, I have been part of the Wellbeing team at Kilberry Valley Primary School, which is located in Hampton Park. As part of my role, I will endeavour to provide whole school support by working alongside teachers and students to create an environment where students feel safe, and have a sense of belonging within our school community. At any stage you feel concerned regarding your child's wellbeing, please do not hesitate to contact me.

What is Wellbeing?

Wellbeing can be defined as a complex combination of a person's physical, mental, emotional and social health. At C.P.S, Positive relationships is at the heart of student wellbeing, it is the fabric of our school culture, and it is built on the firm belief that everyone belongs and that everyone has something valuable to contribute. At C.P.S we ensure that our children, families and staff feel connected and valued within our school.

PRIDE PLACE

I am very excited to announce that PRIDE Place has now opened its doors in a brand new classroom facility. You will find PRIDE place at the heart of our school, located at the end of the basketball court.

PURPOSE!

PRIDE place is based on the principles of 'Restorative Practice'.

Restorative Practice involves the development and enhancement of relationships and uses social interactions as its main source of teaching. Restorative Practice stresses the importance of relationships and seeks to restore these relationships when they have been damaged through conflict.

Pride Place will encourage students to:

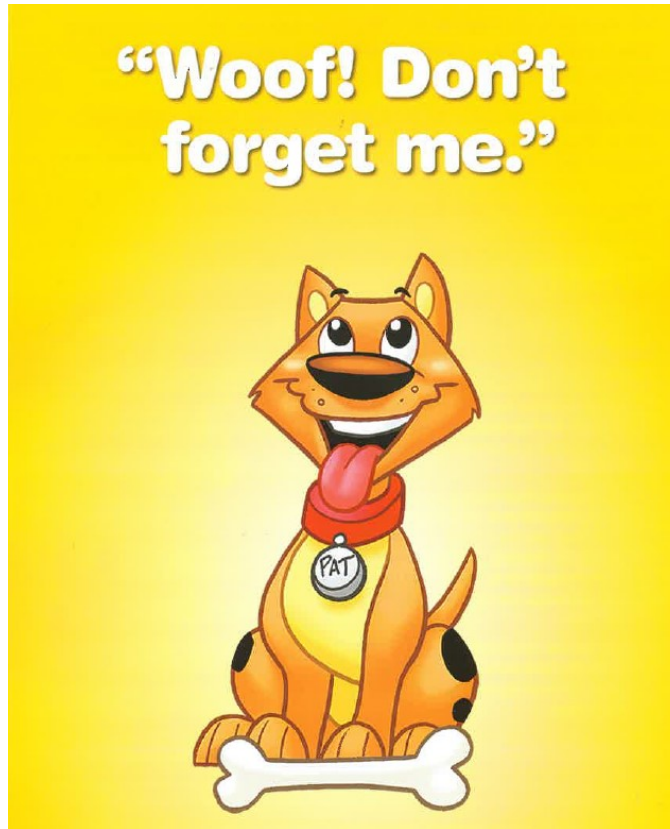

Understand the choices they make and encourage students to learn and take responsibility for their mistakes, reconcile and resolve problems.

Develop student strategies to self-regulate their emotions and become aware of how they are feeling before acting out.

Build and maintain healthy relationships within the school community.

Provide a safe space for students to attend during recess and lunch if needed.
