FROM THE OFFICE

If you have an alternate plan for when you can't pick your child up, share the plan with your child! It is very difficult to get messages to children and most of the time the message is to meet in a different spot.

Organise a plan with your child - "if mummy cant pick you up from the deck, daddy will be waiting for you at the gate". This also teaches your child to be responsible.

Buildings and Grounds

The roof on the main building has undergone the repairs and is now complete. We have been advised that the repairs to the Junior and Middle learning space ceilings will commence next week. This is very exciting news!

We will endeavour to keep disruption to student routines and learning space structures to a minimum, and it is expected that the work will be completed in a few days!

As of Monday 19th February our pedestrian access gates on Bakewell,

Childers and Russell St, will all be locked at 9.00am. This will add an extra layer of safety and security for our school community during school hours. Gates will be unlocked at 3.00pm .

For access to the school between 9.00am and 3.00pm use the main gates in Bakewell Street. Any visitors to the school during school hours must sign in at the office before approaching any learning spaces. When collecting your child at 3:15, please proceed to the dismissal point for your child's learning community, at this time of day do not enter through the Office unless you have business to attend to with our office staff.

LEADERSHIP

**At our Assembly this week we were introduced to the 2018 student leaders.
So, what makes a good leader?**

Tips for Students: Leadership Qualities

The ingredients of true leadership are not really a mystery. Many people have researched and studied the qualities that leaders possess, and they have observed many commonalities.

If you are aspiring to take on a leadership role in school, or if you simply wish to have more influence in your circles of friends and classmates, then you should begin building the characteristics of a leader today.

Here's a quick summary of the traits of an effective leader:

- **Self confidence.** A leader who is self-assured without being bombastic or overbearing instills self-confidence in team members. *Your* self-confidence and calm demeanor can help *others* feel more certain that they, too, can overcome hurdles or reach a challenging goal.
- **Humility.** When you're willing to share credit with others, and you're willing to admit that you're not perfect, others see that and appreciate it.
- **Trustworthiness.** People trust you when your attitudes, words, and motives align with what you actually choose to do. This includes being honest about mistakes, refusing to gossip and shift blame, and doing things the ethical way (even if it's more expedient to do otherwise).
- **Authenticity.** Be yourself, and act in line with your core values and personality. People *will* notice if you're trying to be someone other than who you really are.
- **Extraversion.** Most leaders maintain an outgoing demeanor, show an interest in people, and gladly participate in group or team activities.
- **Enthusiasm, optimism, and warmth.** Staying positive, being approachable, and expressing positive thoughts and feelings through both verbal and nonverbal communication help you build rapport with those around you.
- **Sense of humor.** Your ability to make people laugh can help others feel comfortable and relieve tense situations.

Through awareness of what it takes to be a leader, you can begin building habits that lead to increased effectiveness.

Cranbourne Primary School and broader community are getting involved in the Coles Sports for Schools program once again. During the Sports For Schools program, students and families will be able to collect Coles Sports for Schools vouchers for their school from Coles stores across Australia. When the program ends, our school can exchange these vouchers towards sporting equipment!

Every \$10 spent at Coles during the program, will earn a Coles Sports for Schools voucher. The more vouchers our school collects, the more equipment we could receive.

Hanging around the school you will see the Coles Sports for Schools posters to keep everyone on track. A large submission box picturing Usain bolt, can be found in the corridor near the deck door.

When the program ends, Coles will tally our vouchers and then it's time for us to go shopping - for our new sporting equipment.

Let the collecting begin!
