Curriculum

The Life Ed Van is back!

Life Education delivers health and drug education through a unique mobile learning centre environment which encourages students to develop strategies and practice the skills required to lead a healthy lifestyle.

Lessons are age appropriate and cover a wide range of health related topics, ranging from the human body and how it works, healthy eating and nutrition, medicines and drugs, bullying, resilience and social skills.

Healthy Harold, the much-loved Life Education giraffe mascot is always a much-anticipated element of the visit. The sessions are fun and interactive, and help to extend and develop the children's understanding of the topics covered.

The topics covered during the van visit will be further developed in class both prior to and after the visit through activities and with the student workbook, which is included in the cost of the visit.

This is a component of the curriculum, therefore it is important that your child attends this session.

Please fill out the permission form and return to school, with payment, by
Friday 23rd February 2018.

Cranbourne Primary School and broader community are getting involved in the Coles Sports for Schools program once again. During the Sports For Schools program, students and families will be able to collect Coles Sports for Schools vouchers for their school from Coles stores across Australia. When the program ends, our school can exchange these vouchers towards sporting equipment!

Every \$10 spent at Coles during the program, will earn a Coles Sports for Schools voucher. The more vouchers our school collects, the more equipment we could receive.

Hanging around the school you will see the Coles Sports for Schools posters to keep everyone on track. A large submission box picturing Usain bolt, can be found in the corridor near the deck door.

When the program ends, Coles will tally our vouchers and then it's time for us to go shopping - for our new sporting equipment.

Let the collecting begin!
