PRINCIPAL'S NEWS

Yesterday was a busy day at CPS.

The students from middle and senior learning communities competed on the oval in Athletics. Congratulations to Miss Gramc on her organisation of the event.

All the students participated with PRIDE, enthusiasm and sportsmanship. Even the teachers got involved – Mrs Whittle was waving her flag at the start line as each race commenced.

Two information sessions were conducted the first at 3.30 and the second at 6.00pm to provide parents with information pertaining to the upcoming camp scheduled for term

3. Thank you to all families who attended and thank you to Ms Biggins for her work in researching, communicating and preparing information about the camp. Thank you to all the staff who attended. The sessions were well attended with some thoughtful questions raised by both parents and students.

Semper Dental is returning!!

Last year we had a visit from “Semper Dental”, who provided free dental checks to students. This was a great success, and many students took the opportunity to have a dental check up done here at school.

We have been able to negotiate another visit from them this year, which will commence **Tuesday 12th June**.

This is a great opportunity for students to receive dental check ups here at school.

Semper Dental provide parents/carers with a report, advising of any possible follow up work that may be required. We anticipate that some of this may also be done here at school, after the initial screenings are completed.

More information will be provided early in term 2.

Children's Crossing Safety Tips

Parents need to remember the following when driving in and around schools:

- ◆ Slow down
- ◆ Always be alert when driving
- ◆ Drop children off earlier (8.45 am) rather than later - it eases congestion and gives kids time to play before school
- ◆ Many car trips are less than one kilometre from home – why not walk, great exercise!
- ◆ On wet days, drive with your headlights on, bring a raincoat, an umbrella and be prepared to walk further than usual.
- ◆ Always observe parking signs and road rule regulation. Why not park and walk to the school gate to pick up or deliver your child.
- ◆ Have the children use the car door on the footpath side. Commonsense.
- ◆ Always use the children's crossing when it is in operation and **never ever call your child across the road!**
- ◆ Two and Five minutes parking means just that!

If you follow these commonsense tips and do the right thing around schools, this should create better traffic flow and a much safer environment. Also remember that children will follow your example, "If you do it, then they will!"

The ART ROOM needs you!

In preparation for some construction projects I am planning for later in the year, I would be really grateful if you could collect and bring into school all your plastic milk, juice and soft drink lids.

I will put a tub outside the Art-room for them to be left in.

Thank you all so much.

School Crossing Safety

There are over 80 Primary Schools in the City of Casey, serviced by over 240 school crossing supervisors. Over 35,000 students attend these schools each day, travelling by foot, private vehicles and public transport.

The City of Casey encourages drivers, parents and others responsible for children, to carefully read the information below to minimise the risk of accident or injury at and around school crossings.

Why are school crossings important?

Young children do not have a well developed sense of danger. They also do not have well developed peripheral (side) vision or spatial sense. This makes it difficult for them to properly judge the safe time to cross a road. Supervised school crossings were formally introduced in the 1970s to protect children from this risk.

Why do we need parking and traffic controls around school crossings?

Crossing supervisors need to have a clear field of vision in all directions around their crossing, so that they can spot approaching children and vehicles as soon as possible.

Because children are often very small, cars parked or stopped too close to crossings can completely obscure them from the view of supervisors and drivers. Coupled with children's limited ability to identify danger, this can create a very hazardous situation.

Parents and other people who are dropping off/picking up children also need reasonable access to parking for that purpose.

What sorts of controls can I expect to find around schools?

A range of restrictions may apply according to the needs of the particular area. The following restrictions may apply at and around your school:

No stopping

What does no stopping mean?

No stopping means you cannot stop your vehicle for any purposes, no matter how short the time.

No parking

What does no parking mean?

No parking means that the area is a pick up/drop off zone and that you cannot leave your vehicle un-attended and you cannot be parked for more than 2 minutes.

Bus Zone

What does bus zone mean?

Bus zone means that this area is for buses only. You cannot stop there at all.

Disabled Parking

What does disabled parking mean?

Disabled parking means that only vehicles displaying a valid Disabled Person's parking permit may park in these spaces.

As a driver what am I required to do around school crossings?

When approaching school crossings, slow down to 40km/h or less, watch for children and remember not to stop too close to the crossing. You **MUST** stop before the STOP LINE marked on the road once the stop sign is displayed to you.

The crossing must be completely vacated of all pedestrians before proceeding, including the supervisor.

Also watch for, and obey, the instructions of the School Crossing Supervisor.

Look for parking restriction signs and make sure to obey them or you may be fined.

BUNNINGS

Cranbourne Primary School and broader community are getting involved in the Coles Sports for Schools program once again. During the Sports For Schools program, students and families will be able to collect Coles Sports for Schools vouchers for their school from Coles stores across Australia. When the program ends, our school can exchange these vouchers towards sporting equipment!

Every \$10 spent at Coles during the program, will earn a Coles Sports for Schools voucher. The more vouchers our school collects, the more equipment we could receive.

Hanging around the school you will see the Coles Sports for Schools posters to keep everyone on track. A large submission box picturing Usain bolt, can be found in the corridor near the deck door.

When the program ends, Coles will tally our vouchers and then it's time for us to go shopping - for our new sporting equipment.

Let the collecting begin!

Ms Gramc

Some tips for our new parents!

- Payments and notices are to be given to class teacher first thing in the morning. All payments are then sent to the office together.
- Only EFTPOS payments will be taken at the office.
- Students who are late to school are to be signed in by parents.
- If your child is late and not signed in by a parent or is absent without notification, you will receive a text message to advise you.
- Late payments for excursions, camps, incursions will not be accepted under any circumstances.
- School Banking Day is Thursday—bank books are to be given to the teacher first thing Thursday morning.
- Students must be in school uniform with appropriate footwear.
- If your child bumps their head at school, we will send a courtesy text message. You do not have to respond to this message it is just so you are aware. We will ring you if there is a significant injury and you are required to pick your child up.
- School finishes at 3:15 pm, please ensure you have organised alternate arrangements if you cannot pick up your children up at 3:15 pm. Our After School Care information is in Newsletter.
- Front door of school is only to be used if you have business at the Office.

Don't forget your bank book

Please contact the office if you are interested!

AFTER SCHOOL CARE INFORMATION

Please note that here at Cranbourne Primary the school day finishes at 3:15pm. Please ensure children are collected promptly as Yard Duty Supervision finishes at 3:30pm.
