PRINCIPAL'S NEWS

Tomorrow our middle and senior students will be participating in the school based Cross Country event. Students who meet time qualifications will then be provided the opportunity to participate in the district Cross Country Event next term.

Student safety is paramount to us. Last Friday the school took the measure of keeping all staff and students indoors for the day to allow the smoke generated by the fire at Blue Hills Residences to disburse. Families were alerted through our SMS system, ensuring accurate communication was maintained.

Students travelling to and from school are encouraged to use supervised crossings however recently it has been noted that students are being encouraged by family members to cross at unsafe points. If you are collecting your child after school along Childers St. we ask that parents cross to the school side and escort children safely across the road.

Page 3 of today's newsletter has important information pertaining to the round-a-bout at the intersection of Cameron St and Berwick/Cranbourne Roads.

A reminder to families that the school does not cover students for accidents or ambulance transport. In the event a student requires emergency medical treatment, the school has the authority and duty of care to call for an ambulance. It is therefore strongly advised that families seek accident insurance and take out personal ambulance cover.

FROM THE OFFICE

THANK YOU!

The Salvation Army has sent our school a message of thanks for all the donations made by our families to their tin food drive for Christmas! The donations were greatly appreciated!

ASTHMA FORMS

If you have been sent a 2018 Asthma Action Plan, please return it to the school ASAP! These forms are very important and need to be updated yearly. **You do not need to have your Action Plan signed by your doctor.**

Buildings and Grounds

Last week we received a special delivery—of bath tubs! This delivery created lots of discussion and interest amongst our students.

Although the staff had a bit of fun with the students, creating some interesting stories as to what the bath tubs were going to be used for, the real reason is they will be used to create raised garden beds around the school.

We were contacted by Reece a few weeks ago, to see if we would like to receive a donation of bath tubs to use at our school. We are very grateful for their donation of 10 tubs, which we will use to help improve our school grounds.

We are hoping to work with other local businesses, such as Bunnings and the Cranbourne Botanical Gardens, to identify plants to use in the tubs, to help improve the look of our gardens and school grounds.

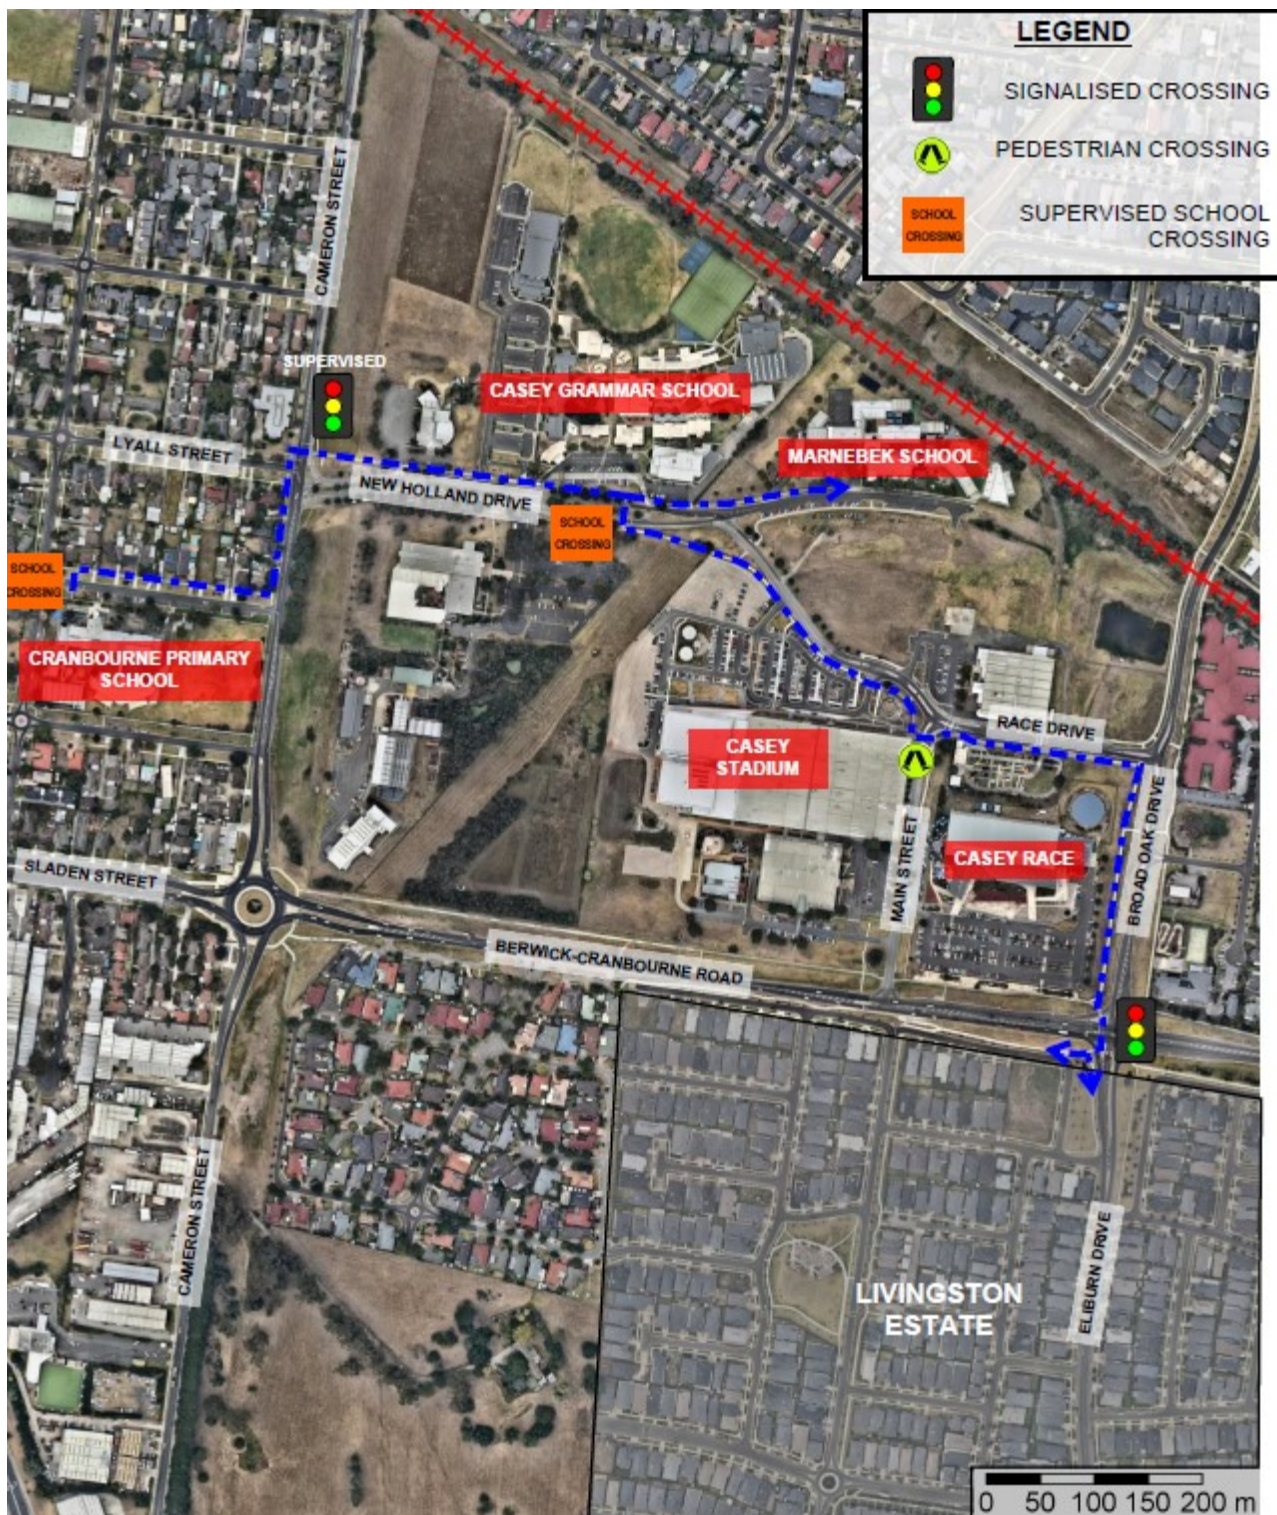

This will become an ongoing project for our Environmental group to lead with students throughout the school, providing the students with an opportunity to help improve the school.

Dí Fernand - Assistant Principal

Recently one of our students was injured by a car whilst on their way to school. The incident occurred at the main intersection of Cameron St and Berwick/Cranbourne Road. In response to this incident and multiple requests from members of the Cranbourne Primary School community to improve student safety at the round-a-bout the City of Casey has provided the following map. This map is their recommended travel route for students travelling from the Livingston estate to bi-pass the round-a-bout. We advise all families to consider the travel route of children and recognize the high level of traffic passing through the area.

Please ensure your child has a safe route to school plan and take appropriate measures to avoid the crossing at the main round-a-bout.

Persistence Responsibility Individuality Discipline Enthusiasm

Next Week in Social Skills students will be looking at the 'I' words of our P.R.I.D.E. Motto in more detail.

Foundation and Juniors	Middle School	Senior School
Developing	Demonstrating	Becoming
Individuality	Integrity	Independent
The quality that allows someone to think and make decisions for themselves and not be afraid to stand out.	The quality that allows someone to be honest and have strong moral principles.	The quality that allows someone to make decisions and complete tasks without the supervision or direction of others.

Recent Fire at Blue Hills Centre

As many of our families would be aware, last Wednesday 14th March there was a major fire at the Blue Hills Retirement Community which completely destroyed the recreational area. Sadly, for several of our students, this also meant the destruction of their after school care program, Schoolies Central, which was housed in the recreational building. Along with the destruction of the building, all of the resources contained within the building were lost.

Four of our Grade 6 girls, Montaya, Sharni, Caitlyn and Alyssa, have approached me with a request to ask our community for donations of resources to give to Schoolies Central when it reopens in 2019.

The girls are seeking donations of the following types of resources:

- ◆ Colouring books
- ◆ Reading books
- ◆ Card games
- ◆ Loom bands
- ◆ Lego
- ◆ Dress ups
- ◆ General toys
- ◆ Pens, Pencils, Textas
- ◆ Drawing paper
- ◆ Board games
- ◆ Soft balls
- ◆ Barbies/ Teddies / Dolls
- ◆ Bean bags

If you have any of these resources you no longer need, and they are in 'as new' condition, please send them along to our school and we will store them in PRIDE Place ready for the reopening next year. We would also welcome brand new items as well.

In addition to the loss of these resources, the centre also lost 4x iPads, 2x Apple Computers, 1x Playstation with games, 1x Wii with games, 1x Television and several sets of headphones. If anyone in our community has access to contacts who may be able to assist in replacing this equipment, please let us know.

Thank you, in advance, to our community for your generous donations.

Athletics

Athletics day carnival

Congratulations to all students who participated in our Sports athletics carnival on Tuesday 13th March. Students in grade 3-6 had the opportunity to compete in running races against their age groups, it was great to see everyone having a go and contributing points towards their house! Each placing of 1st, 2nd, 3rd and 4th added to the overall scores for the day!

HOUSE POINTS

House	1st Place (1000 points)	2nd Place (500 points)	3rd Place (250 points)	4th Place (100 points)	<u>TOTAL:</u>
Cameron	13,000	5,000	2,750	1,700	22,450
Childers	18,000	5,500	3,750	800	28,050
Russell	15,000	9,500	3,000	900	28,400
Bakewell	6,000	5,500	3,500	1,400	16,400

Thanks to all competitors once again for helping to make the day such great fun!

A team will be put together to represent Cranbourne PS in district athletics, the scores from aths day, as well as scores collected in class will be taken into account. Students that are selected for the team will be notified ☺

Amelie MB

Athletics was fantastic, I really enjoyed getting lots of chances to race!

Ms Gramc

The ART ROOM needs you!

In preparation for some construction projects I am planning for later in the year, I would be really grateful if you could collect and bring into school all your plastic milk, juice and soft drink lids.

I will put a tub outside the Art-room for them to be left in.

Thank you all so much.

School Crossing Safety

There are over 80 Primary Schools in the City of Casey, serviced by over 240 school crossing supervisors. Over 35,000 students attend these schools each day, travelling by foot, private vehicles and public transport.

The City of Casey encourages drivers, parents and others responsible for children, to carefully read the information below to minimise the risk of accident or injury at and around school crossings.

Why are school crossings important?

Young children do not have a well developed sense of danger. They also do not have well developed peripheral (side) vision or spatial sense. This makes it difficult for them to properly judge the safe time to cross a road. Supervised school crossings were formally introduced in the 1970s to protect children from this risk.

Why do we need parking and traffic controls around school crossings?

Crossing supervisors need to have a clear field of vision in all directions around their crossing, so that they can spot approaching children and vehicles as soon as possible.

Because children are often very small, cars parked or stopped too close to crossings can completely obscure them from the view of supervisors and drivers. Coupled with children's limited ability to identify danger, this can create a very hazardous situation.

Parents and other people who are dropping off/picking up children also need reasonable access to parking for that purpose.

What sorts of controls can I expect to find around schools?

A range of restrictions may apply according to the needs of the particular area. The following restrictions may apply at and around your school:

No stopping

What does no stopping mean?

No stopping means you cannot stop your vehicle for any purposes, no matter how short the time.

No parking

What does no parking mean?

No parking means that the area is a pick up/drop off zone and that you cannot leave your vehicle un-attended and you cannot be parked for more than 2 minutes.

Bus Zone

What does bus zone mean?

Bus zone means that this area is for buses only. You cannot stop there at all.

Disabled Parking

What does disabled parking mean?

Disabled parking means that only vehicles displaying a valid Disabled Person's parking permit may park in these spaces.

As a driver what am I required to do around school crossings?

When approaching school crossings, slow down to 40km/h or less, watch for children and remember not to stop too close to the crossing. You **MUST** stop before the STOP LINE marked on the road once the stop sign is displayed to you.

The crossing must be completely vacated of all pedestrians before proceeding, including the supervisor.

Also watch for, and obey, the instructions of the School Crossing Supervisor.

Look for parking restriction signs and make sure to obey them or you may be fined.

For further details call 9705 5200, log onto www.casey.vic.gov.au or visit one of our customer service centres at Bunjil Place Narre Warren, or Centro Cranbourne.

BUNNINGS

Cranbourne Primary School and broader community are getting involved in the Coles Sports for Schools program once again. During the Sports For Schools program, students and families will be able to collect Coles Sports for Schools vouchers for their school from Coles stores across Australia. When the program ends, our school can exchange these vouchers towards sporting equipment!

Every \$10 spent at Coles during the program, will earn a Coles Sports for Schools voucher. The more vouchers our school collects, the more equipment we could receive.

Hanging around the school you will see the Coles Sports for Schools posters to keep everyone on track. A large submission box picturing Usain bolt, can be found in the corridor near the deck door.

When the program ends, Coles will tally our vouchers and then it's time for us to go shopping - for our new sporting equipment.

Let the collecting begin!

Ms Gramc

Some tips for our new parents!

- Payments and notices are to be given to class teacher first thing in the morning. All payments are then sent to the office together.
- Only EFTPOS payments will be taken at the office.
- Students who are late to school are to be signed in by parents.
- If your child is late and not signed in by a parent or is absent without notification, you will receive a text message to advise you.
- Late payments for excursions, camps, incursions will not be accepted under any circumstances.
- School Banking Day is Thursday—bank books are to be given to the teacher first thing Thursday morning.
- Students must be in school uniform with appropriate footwear.
- If your child bumps their head at school, we will send a courtesy text message. You do not have to respond to this message it is just so you are aware. We will ring you if there is a significant injury and you are required to pick your child up.
- School finishes at 3:15 pm, please ensure you have organised alternate arrangements if you cannot pick up your children up at 3:15 pm. Our After School Care information is in Newsletter.
- Front door of school is only to be used if you have business at the Office.

SCHOOL BANKING DAY IS THURSDAY!

Don't forget your bank book

This will be the last
banking day for this term.

Next term banking will
begin on Thursday, 19th
April :)

Congratulations, you're ready to redeem a Super Savers reward.

To redeem your Super Savers reward, simply select your reward item, complete your student details and bring it along with your 10 silver Dollarsmites tokens to school in your Dollarsmites deposit wallet.
