PRINCIPAL'S NEWS

I would like to wish all our families a safe and enjoyable holidays and a happy Easter.

Parents and carers are welcome to attend our final assembly at 2.15 today in the gym—students will be dismissed at the regular time of 3.15pm

Today will be a special day at Cranbourne Primary as we bid good-bye to Mrs Mary Doolan—we thank her for years of service, not just to Cranbourne Primary School but to the Department of Education. Mary has been at Cranbourne Primary School for 22 years. We wish her all the best for her retirement.

Mary will be spending her last day today visiting the learning communities, saying good-bye to all the students and teachers.

I am certain that Mary would be delighted to say good-bye to current and past families—she will be joining us at assembly today.

School Resources

Last year we participated in the Woolworths “Earn & Learn” program. This involved families collecting stickers every time they shopped at a Woolworths store. The stickers were counted and then equated to points for us to spend on resources for the school. Last week our selection was delivered by Matt from the Cranbourne East Woolworths store.

This time we used our points to purchase 75 books for our library and Take Home Book Boxes, to supplement the boxes at the higher levels. Hopefully all of these new titles will encourage our older readers to continue their reading practice at home!

I would like to thank Matt and the Cranbourne East store for their support of our school, by providing a Gift Card, which we will use in our “End of Year” Raffle. They have also offered to support our Breakfast Club.

Your support of the current “Coles—Sports for Schools program” should also earn us some great sports equipment resources for the students to access here at school. *Thank you !*

BANDAGE BEAR DAY

Dear Parents/Carers,

To support the annual Good Friday Appeal for the Royal Children's Hospital we will be having a fundraising day on Thursday 29th March - the last day of term.

It will be 'Bandage Bear Day' and students are encouraged to bring their favourite teddy bear to school bandaged for the day along with a gold coin donation with all proceeds going to the hospital.

This year we have also included donation envelopes with this flyer for any families who may wish to make a separate donation to the hospital.

Please support this wonderful cause by bringing your bandaged bear to school with your donations on:

Thursday 29th March, 2018.

School Holidays

I would like to wish our School Community a very Happy Easter and a safe Term 1 Holiday period.

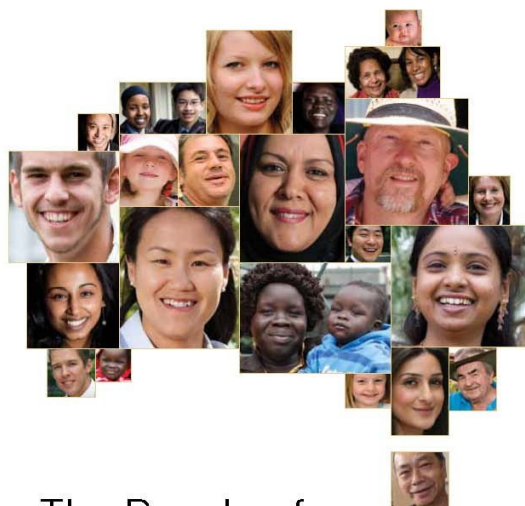

To our students, don't forget to do some reading over the holidays and I hope you enjoy any activities you may undertake with your families.

To those community members who are going away, have an enjoyable and safe time and we will see you on **Monday 16th April** ready to start a very busy Term 2.

Multicultural Day

On Friday the 27th July, Cranbourne Primary School will hold a Multicultural Day – celebrating the many different cultures of our students. This day will include African Drumming Workshops for the whole school as well as culturally based workshops.

We are seeking parent volunteers who would like to run a session based on their culture (you will be supported by teachers). This could be: art, cooking, dancing, dress, music or sport to name a few.

The ART ROOM needs you!

In preparation for some construction projects I am planning for later in the year, I would be really grateful if you could collect and bring into school all your plastic milk, juice and soft drink lids.

I will put a tub outside the Art-room for them to be left in.

Thank you all so much.

School Crossing Safety

There are over 80 Primary Schools in the City of Casey, serviced by over 240 school crossing supervisors. Over 35,000 students attend these schools each day, travelling by foot, private vehicles and public transport.

The City of Casey encourages drivers, parents and others responsible for children, to carefully read the information below to minimise the risk of accident or injury at and around school crossings.

Why are school crossings important?

Young children do not have a well developed sense of danger. They also do not have well developed peripheral (side) vision or spatial sense. This makes it difficult for them to properly judge the safe time to cross a road. Supervised school crossings were formally introduced in the 1970s to protect children from this risk.

Why do we need parking and traffic controls around school crossings?

Crossing supervisors need to have a clear field of vision in all directions around their crossing, so that they can spot approaching children and vehicles as soon as possible.

Because children are often very small, cars parked or stopped too close to crossings can completely obscure them from the view of supervisors and drivers. Coupled with children's limited ability to identify danger, this can create a very hazardous situation.

Parents and other people who are dropping off/picking up children also need reasonable access to parking for that purpose.

What sorts of controls can I expect to find around schools?

A range of restrictions may apply according to the needs of the particular area. The following restrictions may apply at and around your school:

No stopping

What does no stopping mean?

No stopping means you cannot stop your vehicle for any purposes, no matter how short the time.

No parking

What does no parking mean?

No parking means that the area is a pick up/drop off zone and that you cannot leave your vehicle un-attended and you cannot be parked for more than 2 minutes.

Bus Zone

What does bus zone mean?

Bus zone means that this area is for buses only. You cannot stop there at all.

Disabled Parking

What does disabled parking mean?

Disabled parking means that only vehicles displaying a valid Disabled Person's parking permit may park in these spaces.

As a driver what am I required to do around school crossings?

When approaching school crossings, slow down to 40km/h or less, watch for children and remember not to stop too close to the crossing. You **MUST** stop before the STOP LINE marked on the road once the stop sign is displayed to you.

The crossing must be completely vacated of all pedestrians before proceeding, including the supervisor.

Also watch for, and obey, the instructions of the School Crossing Supervisor.

Look for parking restriction signs and make sure to obey them or you may be fined.

Cranbourne Primary School and broader community are getting involved in the Coles Sports for Schools program once again. During the Sports For Schools program, students and families will be able to collect Coles Sports for Schools vouchers for their school from Coles stores across Australia. When the program ends, our school can exchange these vouchers towards sporting equipment!

Every \$10 spent at Coles during the program, will earn a Coles Sports for Schools voucher. The more vouchers our school collects, the more equipment we could receive.

Hanging around the school you will see the Coles Sports for Schools posters to keep everyone on track. A large submission box picturing Usain bolt, can be found in the corridor near the deck door.

When the program ends, Coles will tally our vouchers and then it's time for us to go shopping - for our new sporting equipment.

Keep the collecting going!
