PRINCIPAL'S NEWS

It has been a week of community events. Yesterday was our community breakfast. Thank you to **Ms Lesa Martin** who organized the morning and coordinated all the preparation both prior to and on the morning. All proceeds went to the Royal Children's Hospital appeal (see page 4 of newsletter) We raised \$500—thank you to our community for this support.

We had terrific weather and wonderful community support on our Cross Country day—congratulations and thank you to **Miss Gramc** for her organization of this colorful event (photos on page 3)

Thank you to our **community event organizing committee** for today's Harmony Day

celebrations—it was lovely to see so many of our students get actively involved and recognize, through dress, their diverse cultural heritages.

As we move into school holidays, I would like to

wish everyone a safe break—be safe .

To those families who celebrate, we wish you a Happy Easter.

REMEMBER—Term 2 begins on **TUESDAY** 23rd April.

Please put your child's name in the subject line.

Curriculum

As we draw to the end of term one, and head in to a two week holiday, I would like to remind families of the importance of routine for young children.

Try to maintain regular bed times and routines, so your child knows what is expected of them. Continue to read with your child to avoid 'dropping back' and forgetting important decoding strategies.

I hope that you have the opportunity to have some fun family time together too. Sharing experiences with your child helps to broaden their perception of the world around them. Discussing the experience with them helps to expand their vocabulary and communication skills.

Have a great holiday, stay safe and see you Tuesday 23rd April, for the start of term 2!

School Crossing Safety

School Crossing Safety

There are over 70 Schools in the City of Casey, serviced by over 240 school crossing supervisors. Over 35,000 students attend these schools each day, travelling by foot, private vehicles and public transport.

The City of Casey encourages drivers, parents and others responsible for children, to carefully read the information below to minimise the risk of accident or injury at and around school crossings.

Why are school crossings important?

Children do not have a well developed sense of danger. They also do not have well developed peripheral (side) vision or spatial sense. This makes it difficult for them to properly judge the safe time to cross a road. Supervised school crossings were formally introduced in the 1970s to protect children from this risk.

Why do we need parking and traffic controls around school crossings?

Crossing supervisors need to have a clear field of vision in all directions around their crossing, so that they can spot approaching children and vehicles as soon as possible.

Because children are often very small, cars parked or stopped too close to crossings can completely obscure them from the view of supervisors and drivers. Coupled with children's limited ability to identify danger, this can create a very hazardous situation.

Parents and other people who are dropping off/picking up children also need reasonable access to parking for that purpose.

What sorts of controls can I expect to find around schools?

A range of restrictions may apply according to the needs of the particular area. The following restrictions may apply at and around your school:

No stopping

What does no stopping mean?

No stopping means you cannot stop your vehicle for any purposes, no matter how short the time.

No parking

What does no parking mean?

No parking means that the area is a pick up/drop off zone and that you cannot leave your vehicle un-attended and you cannot be parked for more than 2 minutes.

Bus Zone

What does bus zone mean?

Bus zone means that this area is for buses only. You cannot stop there at all.

Disabled Parking

What does disabled parking mean?

Disabled parking means that only vehicles displaying a valid Disabled Person's parking permit may park in these spaces.

As a driver what am I required to do around school crossings?

When approaching school crossings, slow down to 40km/h or less, watch for children and remember not to stop too close to the crossing. You **MUST** stop before the STOP LINE marked on the road once the stop sign is displayed to you

The crossing must be completely vacated of all pedestrians before proceeding, including the supervisor

Also watch for, and obey, the instructions of the School Crossing Supervisor.

Look for parking restriction signs and make sure to obey them or you may be fined

For further details call 9705 5200, log onto www.casey.vic.gov.au or visit one of our customer service centres at Bunjil Place Narre Warren, or Centro Cranbourne.

School Cross Country

Congratulations to all students that participated in our school cross country day on Wednesday 27th March. Students in grade 3-6 had the opportunity to compete in the cross country against their age group, it was great to see everyone having a go and contributing points towards their house! Each place added to the overall scores for the day, including a point for every participant who had a go!

HOUSE POINTS

House	12-13 Boys	12-13 girls	11 boys	11 girls	8,9-10 boys	8,9-10 girls	<u>TOTAL:</u>
Cameron	7	9	35	9	47	11	118
Childers	2	47	29	29	5	69	181
Russell	1	49	16	30	26	12	134
Bakewell	62	33	9	27	12	20	163

1 st place	CHILDERS
2 nd place	BAKEWELL
3 rd place	RUSSELL
4 th place	CAMERON

Thankyou to all competitors once again for helping to make the day such great fun!
A team will be put together to represent Cranbourne PS in district cross country, the scores from cross country day, as well as scores collected in class will be taken into account.
Students that are selected for the team will be notified ☺

Waste Free Lunchbox

How to make your lunchbox waste free and healthier

Below are examples of waste free lunchbox ideas that can easily be made the night before including fruit, vegetables, sandwiches and snacks put in reusable containers. These kinds of containers will last for years greatly reducing your landfill waste. You can find containers in all shapes and sizes to suit any budget or style. Just ensure they have their name clearly labelled. Water can also be taken in a refillable bottle

Ideal Zero Waste Lunchboxes that are healthy and tasty

Did you know that the more packaging a food contains the less healthy the food generally is? The packaging is also not easily recyclable and often ends up in landfill. The images below are examples of types of single serve, pre-packaged items that can easily be swapped and replaced by purchasing in bulk and portioning into reusable containers.

This swap will also save you money as well reduce your waste.

Examples of common Lunchbox items that can easily be swapped

Heritage Festival at Fisherman's Cottage

*in partnership with Casey Cardinia Libraries
and The Cranbourne Shire Historical Society*

Visit Tooradin's quaint Fisherman's Cottage built circa 1875 and discover the area's early history. The cottage is one of the few remaining examples of fishermen's houses that originally dotted both sides of Sawtell's Inlet in the 19th and early 20th centuries. Peruse the local heritage groups' photographic displays and delve into your local family history with the Narre Warren Family History Group.
