The teaching and learning pedagogy at Cranbourne Primary School is developed on a **RECIPE** (Relevant Engaging Challenging Innovative Personalized Enjoyable) based curriculum that supports the members of the school community to develop intrinsic **PRIDE** (Persistence Responsibility Independence Discipline Enthusiasm) in their learning.

---

**PRINCIPAL’S NEWS**

Today saw the start of the Grade 3/4 camp to Stringy Bark Lodge. All of the students were very excited and keen to get on the bus! It was great to see so many parents there to wave the students off. Hopefully the weather will be in their favour, and allow them to complete all of the activities planned for the next few days!

Next week is Education Week here at CPS! Parents and carers are invited to come along in the mornings and observe the great Teaching and Learning that takes place here every day, as well as attend the Open Evening on Tuesday 24th May.

Don’t forget the Book Fair next week too!

We are looking forward to seeing you at our Open Evening activities!

---

**Quote of the Week**

Grade 3/4 campers due back approx. 2.00pm Friday 20th May.

---

1st Cameron
2nd Bakewell
3rd Russell
4th Childers
Happy Birthday to our May Babies!
Djarryn A

From the Office
We will not be doing Book Club #4 due to Book Fair being on.

All notices and payments must be handed to the Home Group teacher first thing in the morning. The Office will accept EFT payments only.

Thank you to the parents who have paid the Essential Items in full and those that are making part payments. Remember you can make a direct deposit to the school account using the details below.

The Scholastic Book Fair is a great opportunity for you and your child to purchase books and stationery items, at reasonable prices – and help the school at the same time!

Students will receive a raffle ticket for each book purchased (NOT stationery items), to go in the draw to win a Scholastic Prize Pack.

The raffle will be drawn at the completion of the Book Fair.

See you there!!
This term in Reading, we have focussed our learning on developing our understanding of the 12 key strategies, and our accuracy and fluency when reading aloud. We have performed plays to demonstrate how we can use our voices to show tone, expression and develop character voices.

In Writing, we have been developing our ability to present an argument. When writing an exposition we know to include a sizzling start, powerful and persuasive language, and to include in our conclusion a hook or rhetorical question. We have been experimenting with literary tools such as alliteration and rule of three to make our writing more entertaining to the reader.

In Numeracy, we have been learning how to use the four processes to solve everyday problems. We have explored working with money, fractions and two and three dimensional shapes. We have developed our knowledge of place value and have learnt some fun and challenging games to help consolidate our understanding.

In Investigations, we have been exploring the world around us and our place in it. Our focus has been to learn how to read longitudinal and latitudinal coordinates and identify the seven continents, to locate famous cities around the world and describe their characteristics, to understand the multicultural nature of Australia, and to learn about different festivals and celebrations around the world.
# Education Week

23rd May to 27th May 2016

## Reading Information
