PRINCIPAL'S NEWS

IMPORTANT MESSAGE

This **Friday, June 8th** is **Curriculum Day**—

no school for students,

Next **Monday, June 11th** is **Queen's birthday**—

no school for students.

This week is a busy time for our student leaders as they are participating in Student Leadership programs.

Fourteen senior students attended a day camp experience on Monday with Mrs Bloomfield and Miss Gramc to develop leadership skills.

On Thursday our Environmental student leaders will be participating in the Dolphin Research—I sea, I care program to further develop their involvement with developing a sustainable environment for the future.

These opportunities provide our students access to knowledge and skills that have life time impact. We congratulate our student leaders on their passion, enthusiasm and commitment.

Curriculum

'Learning Talk'

Every two weeks we will be asking families to participate in 'Learning Talks' with their children.

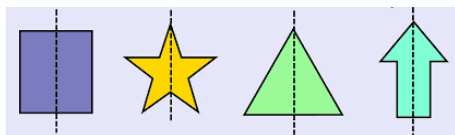

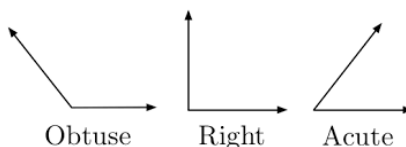

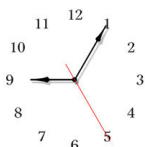

By discussing topics and ideas prior to learning, you will help your children get ahead in their personal learning. Students will follow up in class with activities that are related to their 'Learning Talks'.

Foundation

In Numeracy, students will be focussing on revising the numbers 0 - 20. We encourage students to find and name numbers around their home and practice counting objects. Also have a go at skip counting by 2s and 5s as we will be introducing this new concept in our future lessons.

Junior

In Numeracy, students will be learning about telling the time using digital and analogue clocks. To support your child could you please talk about the features of clocks and play games estimating short periods of time. Key words are seconds, minutes, hours, o'clock and half past. Ask children questions, What time do you....?

Middle

In Numeracy, the middle students will be learning about angles. Students will be focusing on:

If an angle is **greater** or **less than** a **right** angle

Comparing angles in everyday situations

Recognising that analogue clocks use the turning of hands to indicate time, and comparing the size of angles between the hands for familiar times

Discuss with your child what the word **angle** refers to. Look for angles around the house and outside.

Senior

In Numeracy, students will be looking at transformations. To support your child

Discuss the term **symmetrical** and have a look at symmetrical patterns

Talk about the different forms of transformations **translations**, **rotations** and **reflections**

Look at **tessellations** and discuss how they have been formed by rotating shapes

Procedural Writing

All students will be learning how to write procedures.

Using **procedural writing** helps you accomplish a goal; it gives instructions for completing both common and complex goals.

Wellbeing

Persistence Responsibility Individuality Discipline

On Monday 4th June, our school leaders participated in a fantastic leadership day at CYC Adventure Resort at Phillip Island. The day was facilitated by our friends from C.H.I.P.S. who do some wonderful work for our local communities.

The focus of the day was on leadership and the students learnt some valuable skills on being effective leaders. They also had some fun on the Giant Swing and the Skills Course as you can see from the photos.

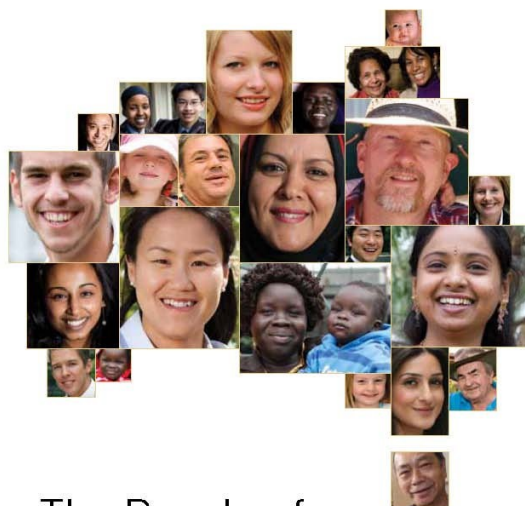

I would like to thank the parents of the student leaders for making the commitment to bring their children to school by 8.00am so we could make the most of the day.

Multicultural Day

On Friday the 27th July, Cranbourne Primary School will hold a Multicultural Day – celebrating the many different cultures of our students. This day will include African Drumming Workshops for the whole school as well as culturally based workshops.

We are seeking parent volunteers who would like to run a session based on their culture (you will be supported by teachers). This could be: art, cooking, dancing, dress, music or sport to name a few.

As part of our commitment to providing a safe environment for our students, we would like to remind parents of the following:

- ♦ The playground is monitored by yard duty staff from 8.45am. No student should be at school prior to this time, unless they are attending Breakfast Club or Soccer Club.
- ♦ Breakfast Club is open on Tuesday and Thursday morning from 8.15 to 8.45am. Upon arrival students should be escorted to the Breakfast Club by a parent or older sibling. Breakfast Club is located at the oval end of the BER Building. Miss Collier and Ms Martin are the supervising adults for the Breakfast Club.
- ♦ **Any students found in the yard before 8.30am on Tuesday or Thursday will be directed to the Breakfast Club.**
- ♦ Soccer Club is provided on Wednesday and Friday morning from 8.15 to 8.45am. This club is supervised by Mr Baker.
- ♦ **Any students found in the yard before 8.30am on Wednesday or Friday will be directed to the Soccer Club.**
- ♦ There are no school activities provided on Monday morning. However, we invite all our parents and community members to attend our weekly school assembly in the gym at 9.00am each Monday morning.
- ♦ If you have any questions regarding the above information, please see your child's home group teacher.
