The teaching and learning pedagogy at Cranbourne Primary School is developed on a RECIPE (Relevant Engaging Challenging Innovative Personalized Enjoyable) based curriculum that supports the members of the school community to develop intrinsic PRIDE (Persistence Responsibility Independence Discipline Enthusiasm) in their learning.

**PRINCIPAL’S NEWS**

With families having easy access to technology devices, allowing global communication to travel so quickly, world news is brought into our homes with greater speed and detail than ever before. This news impacts more on our children now than it did when you or I were at Primary School.

When events such as the recent massacre in the United States occur, with reports that include graphic details and images, whether you have a personal connection or not, children and adults alike can be emotionally impacted. Fears for the safety of oneself and your family can take over your thoughts. Anxieties about visiting public venues can develop. Dreams and nightmares can happen more frequently.

If you or your family are in need of any support in these areas, there are many agencies within the community available to assist.

If your child is demonstrating unexplained fears, phobias or anxiety, you can attend your General Practitioner—local doctor (GP) and discuss the issues with them or talk with your child’s home group teacher at school and we can discuss what support services are available through school. Happy Birthday to those students who are celebrating this week!

From the Office
When filling in the Late Arrivals and/or Early Leavers books at the Office, please ensure you put your child’s full name and the name of their Home Group. We have a new computer program for entering attendances and it is done by Home Group so it is important you put your child’s Home Group and their full name.

Please name your children’s uniform. Uniforms cost a lot of money and it is sad to hear how many students lose their un-named bomber jackets or jumpers. If you write their name in texta on the band it is easy for us to see and return to your child.

Please put your child’s name in the subject line.

Curriculum
Student Progress Discussions
Term 3, Week 2

Today, the eldest child in each family will receive a notice regarding Student Progress Discussions. These sessions will be held week commencing Monday 18th July. They are an opportunity for teachers, parents and students to discuss the achievements and the future learning goals of each student.

We encourage all parents/carers to take advantage of this opportunity to discuss their child’s progress at school.

Teachers will be able to discuss academic, social and emotional strengths and areas for improvement with you, as well as identify areas for growth for your child.

Please ensure you return the notice to your oldest child’s Home Group teacher by Wednesday 22nd June.

Assistant Principal
In our Maths sessions the past week, we were looking at Fractions. To help us understand fractions we did food maths. The students had a lot of fun and really enjoyed the learning but mostly the eating afterwards.
Did you know you can bank as little as 5 cents if you want to?

WOW!! That’s great news, thanks! What a great way to learn to save a little money every week with Dollarmites!

If you’d like your child to join in with Dollarmites banking you can apply for an account with the Commonwealth Bank or ask at the Office for an Application Form. It is important to teach children to start saving at an early age. With Dollarmites they can choose an awesome prize once they have made 10 deposits!

This Friday, 17th June will be the last day of banking for this term.
Friday, 22nd July (2nd week back) banking will resume in Term 3.
Has your child lost a school jumper?

We have A LOT of jumpers and bomber jackets in “Lost Property” at the moment. Please check before the end of this term for any items that may belong to your child.

At the end of this term, Lost Property will be cleaned out, ready for the start of term 3.

Please make sure you clearly label your child's jumper/jacket, to help reduce the number of lost items and to help return items to their owner.
LIVING WITH AUTISM.
DEALING WITH BEHAVIOURS AND ASD

Are you a parent/carer of a child on the autism spectrum?

Join with other parents/carer to share experiences, ideas and learn strategies in a relaxed, friendly place.

During the 4 weeks you will:
- Discuss why the behaviours are happening
- Identify new ideas and strategies
- Hear from other parents and share experiences
- Identify new supports

WHEN: Thursday 14th, 21st, 28th July and 4th August
TIME: 9.30am - 11.30am
WHERE: Ballam Park Primary School
WHERE: Belar Avenue Frankston
