Monday, 8th October

Term 4 begins 8:50 am

PRINCIPAL'S NEWS

Parent Opinion Survey.

Earlier this term, a random selection of parents was identified to complete the online Parent opinion Survey. If you were part of that group, you would have received a letter which included information about the survey and your logon details. DET have extended the survey timeline to Sunday 9th September. If you have not yet completed the survey, please do so as your input provides us with valuable information to help continually improve our school. Thank you to those parents who have already completed the online survey.

Illustrator competition

Earlier this term we had a visit from an illustrator of children's literature. The students from F—Grade 6 all had the opportunity to participate in workshops with him, and many of our students were inspired to have a go at illustrations themselves.

Bambi Smyth, a Melbourne-based children's book author and illustrator was running a competition for children to draw a character for her next series of books—'Fart Patrol'. Many of our students entered the competition—and I am very pleased and proud to announce that one of our students won! **CONGRATULATIONS TO LINK FROM GRADE 3** whose character 'PLOP' was judged as the winner! The following students were judged as 'Runners Up' so congratulations to all of you too! - Behroz, Buthmi, Alee, Chase, Dante and Siena. Stay tuned for more information!

FROM THE OFFICE

Swimming forms are due back Monday, 17th September by 4 pm. Please ensure you have your form returned on time as it is a huge task organising swimming groups for the whole school community. As with all notices, late notices will not be accepted after the due date.

Thanks to the parents who have already signed and returned their forms!

Golden Bin Awards

Well done to the following Students for demonstrating PRIDE in helping keep our school clean and tidy.

Josh K, Lillie R, Emily and Sammie (from last week)

Fathers' day thank you

On behalf of Community Links we would like to say a massive thank you to all parents, students and staff who supported our Fathers' Day stall.

We sold almost everything. That means next year there will be a whole range of new and exciting gifts for the students to choose from.

The highlight of our day is seeing all the students come in so excited to choose a gift for their loved ones.

They inspect all the gifts so carefully and thoughtfully before they decide on the perfect one. They are so happy and excited when they make their final decision.

We run these stalls for the benefit of the students and we really appreciate the ongoing support from the school community.

We hope each year it will continue to thrive as it really is something the students look forward to.

Regards,
Community Links
members.

REMINDER

REMINDER

This Friday 7th September is the last day to bring clothing to school for our Diabetes collection.

Spare bags are available at the office if you need them.

Please dig deep for this worthy cause and keep the clothing donations coming!!!

DONATIONS! DONATIONS! DONATIONS!

The Junior School Council are seeking donations from our wonderful CPS Community.

We are collecting pre-loved clothing for Diabetes Australia, Victoria.

Diabetes Victoria estimates there are currently 435,000 people living with diabetes in Victoria. Every day, more than 80 Victorians develop diabetes.

Please send your pre-loved clothing to school from:

Monday 20th August – Friday 7th September

The school will receive 30 cents per kilogram of clothing.

The Junior School Council would like to use this money to purchase stationery and sporting equipment for the school.

Please clear out your cupboards and wardrobes and send all your pre-loved clothing to school during the collection period.

Grade 4/5/6 visit to the National Gallery of Victoria

On Wednesday 15th August some of our grade 4/5/6 students were given the opportunity to visit the National Gallery of Victoria (NGV) to see the art work on loan from the Museum of Modern Art (MoMA) in New York.

It was an amazing day. We saw art by artists that we've learned about and also a wide range of art from artists we've never heard of. We asked a lot of questions and wondered 'what is art?'

Our students were praised by the gallery staff for their enthusiasm and ability to ask meaningful questions. I am proud of every student who attended this excursion.

Special thanks needs to go out to the NGV who provided us with this opportunity.

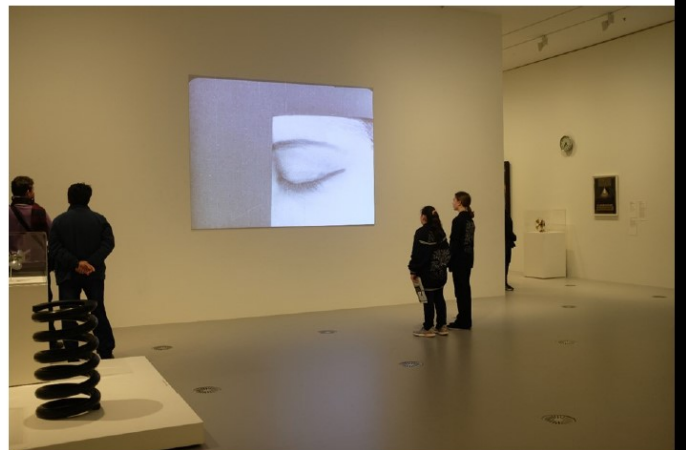

I can't wait to see what ideas and art works emerge from our young artists now!

Justine Carlin

Art teacher.

Enjoying the Melbourne sunshine before heading inside to learn about modern art.

Grade 6 students taking in an early film-based art work.

Our guide discussed this piece with us. We talked about the bright colours not being used to show happiness but rather disillusionment with the new modern world.

Grade 5 students enjoying the art work of Alexandra Exter who designed theatre sets.

...more photos from National Gallery of Victoria

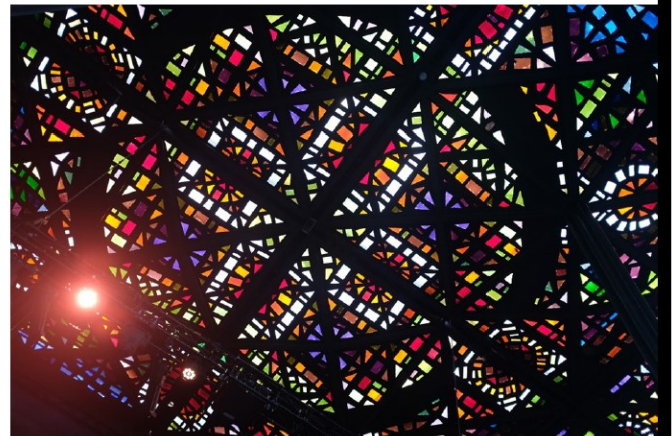

I'm confused. This is not what I thought I'd be seeing in an art gallery!

Enjoying abstract art.

Ms. C told us we'd see some weird and wonderful art and ideas. We learned why this piece by Marcel Duchamp (a bike wheel on a kitchen stool) is considered art.

Enjoying the Great Hall's ceiling
