PRINCIPAL'S NEWS

Welcome back everyone to Term 4.

Firstly, a huge thank you to all the students, staff and parents for the very warm welcome to Cranbourne Primary School. It is evident that this is a proud and vibrant community and one that I am proud to be part of. I'm usually out and about before and after school, so if you see me around please don't hesitate to have a chat.

Our first day of term was a beautiful sunny and warm day. As we are approaching summer it is mandatory that every child has a school hat that is worn at recess and lunchtime. Any student without a hat, will spend their free time under cover in a designated area.

Term 4 is always a busy term so please ensure you read the weekly newsletter to stay informed of events and activities that are happening at our school.

Next week our school wide swimming program begins, and will be running for 7 weeks. There will be more information being sent out shortly explaining what your child needs to bring so that they are best prepared and ready for a successful swimming program.

Have a great week.

Community News

Congratulations to our school community, in particular our "Community Links" team, who co-ordinated a very successful Bunnings BBQ on Saturday 6th October. It was great to see staff and parents joining together to work at the barbecue, to support CPS. We raised \$2,048.49, which will support the improvements and upgrades to the school grounds.

Thank you again to everyone who came down and supported the Bunnings barbecue!

Swimming

The CPS swimming program commences next Wednesday. This program is financially supported by the school, which means no cost to families. Permission forms should have already been returned. Students will walk to the pool in house groups, and then be grouped according to their swimming ability, by the swimming instructors. Please refer to the table for approximate session times.
