PRINCIPAL'S NEWS

As I am writing this newsletter piece, teachers are busy finishing off their reports, which will be sent home on Thursday the 20th December. When you receive your child's report, please take the time to read it carefully and discuss future learning opportunities with your child. Over the long break it is very important that your child continues to read as often as possible, preferably every day. There is a lot of evidence that shows if students don't read regularly over the summer break that when they return to school they are not at the same reading level as the previous year and have to play catch up during term 1.

Also on Thursday the 20th December Cranbourne PS will be having a Step Up session for 2019 classes. This is an opportunity for your child to meet their 2019 teacher and their new classmates, as well as visit their new learning space. This session will only be for a short time but it will give your child the chance to know exactly where and with whom they will be in 2019.

FROM THE OFFICE

If you have received a note regarding absences for your child/ren, would you please sign and return to the teacher as soon as possible.

It is important that you let the school know why your child has been absent and whether they are unwell, have a medical appointment, dentist appointment, or family reasons. We don't need specifics!

We would appreciate you leaving a message on our Absence Line or reply to our text message with a reason your child is away (or late) on the day your child is absent so we can do a note for you.

Community News

Wednesday 19th December

is certainly going to be a fun day for CPS!

Class parties will take place prior to the lunch break, 12.15—1.00pm.

Your child's teacher will provide you with more information regarding this.

After lunch will be our Colour Fun Run, 1.45—3.15pm.

Students will participate in the event by completing the course around the school.

Students can come to school in free dress on this day,

and we suggest they wear a white or light coloured top
to get the full effect of the colours!
