Please keep your eyes on the upcoming events section of the newsletter as Term 4 is full of many activities thanks to the ongoing dedication of staff members.

Our support staff has been working consistently and diligently on the establishment of a new organisational system for the books used by teachers and students in the learning spaces. Their next step is to contact cover many of the new books which will be provided for students to take home for reading. If you are available at any time during the week to assist and you have a current ‘Working With Children’s Check’ please let the office know and they will pass your details onto the library.

CONGRATULATIONS to one of our Grade 4, Josh M. who made some very responsible choices on the weekend when he rang 000 to get immediate medical assistance for a family member who was unconscious – he attributed his knowledge and capable response to his participation in the St. Johns Ambulance training we had here at school – Well done Josh!

We have been advised by a couple of families that they will be moving out of the area at the end of the year, therefore will not be at our school in 2015. As you can appreciate we need to have an accurate knowledge of student numbers to ensure we have the correct number of staff allocated to the appropriate positions. It is therefore necessary for us to conduct a very important survey at this time to determine enrolments for 2015. Please complete the survey on the back page of the newsletter and return to school by Friday 17th October.

Thank you for your support and understanding.

Cheryl Van Deursen
Principal

Quote of the Week

‘I am who I am today because of the choices I made yesterday.’

Elenor Roosevelt
We are now able to send the newsletter out electronically to families. If you would like to take advantage of this option you need to go to our website at www.cranbourne-ps.vic.edu.au On the home page you will find a link to subscribe to the newsletter click this link and fill in your details.

CURRICULUM

This term is already shaping up to be a busy term. We have lots of activities and events planned throughout the term.

As has previously been mentioned, this term can also be: anxious exciting nervous stressful
time for many of our students as they may be starting to think about moving year levels and changing teachers.

Keeping these things in mind it would be helpful for your child to maintain regular routines at home as much as possible.

Structure and routine helps children know: what is expected of them, what is set to happen for the day, and to be prepared.

Stars of the Week

Congratulations on all your wonderful efforts this week!

STUDENT BIRTHDAYS
15th - 21st October

Happy Birthday to those students who celebrate their birthday this week.

Last term in the Junior Learning Community we had so many fun and exciting days full of learning, such as Footy Day and our Literacy and Numeracy Dress Up Day! We’ve also enjoyed doing some cooking with our Senior buddies, as well as doing lots of tricky work in Literacy and Numeracy. We’re making our brains bigger every day!

If you have any old Melways to donate to the Junior area, we would greatly appreciate it!
Thank-you to all the families and friends who have shopped at the Good Guys and earned donation credits to support our school. Remember every time you shop at Good Guys, ask for your Cranbourne cash credits to go to our school.

**Update regarding school hats.**

In accordance with dates and guidelines provided to us by Cancer Council, Victoria, we ask that students wear their school hats as of now! Dates provided to us recommend the wearing of hats from 1st September through to the end of April. If your child has lost their hat, please organise the purchase of a new hat from Beleza.

---

**Cranbourne Primary House Sports.**

On Friday 17th October all children in Prep to Year 6 will be involved in the Cranbourne Primary School House Sports Day. The main aim of the sports is enjoyment, participation and friendly competition. The program involves a variety of races and fun activities. The sports will begin at approximately 11.35 am on the school oval and will conclude at 1.30 pm.

Parents are invited to come along and provide cheering and support for the children.

As the sports will take place on the oval, all children will need suitable clothing — shorts, t-shirt (House colour please) and runners. Please ensure that the children wear appropriate footwear, no open toed sandals.

It is very important that all children have their SCHOOL HAT, WATER BOTTLE AND SUNSCREEN.

---

**Please complete by Friday October 17th 2014**

**DO NOT COMPLETE FOR GRADE 6 STUDENTS GOING TO SECONDARY**
